INVITATION TO A PRE-ASSESSMENT BRIEFING ON COMPETENCY-BASED ASSESSMENTS AND QUALITY COMPLIANCE

The State Department for Technical, Vocational Education and Training (TVET) remains committed to strengthening the quality, credibility and standardization of assessment processes under the Competency-Based Education and Training (CBET) framework.

In this regard, you are invited to attend a Pre-Assessment briefing on assessment preparedness, protocols, quality assurance mechanisms and assessment standards in preparation for the upcoming March/April 2026 summative assessment series. The briefing will be held virtually on **Thursday, 19th March 2026 from 11:30am to 1:00pm**. You are also required to ensure that all trainers, including those in management positions in your institutions attend the meeting. The link of the meeting will be shared in due course.

This briefing will be critical in ensuring uniformity and integrity in the administration of assessments across all TVET institutions. You are therefore, required to prepare a brief report to the Principal Secretary for TVET on the status of formative assessments, protocols and institutional preparedness prior to the commencement of summative assessments.

The report should contain a summary of candidature per level, improvement and progress of assessment procedures made, following recommendations made by CBET Delivery Unit and submit assessment schedules for the March-April 2026 assessment series through the attached google form link.

Your attendance is mandatory.
