3.0 INSTRUCTIONS TO HEADS OF INSTITUTIONS, SUPERVISORS, INVIGILATORS AND CANDIDATES

SUPERVISORS ARE ASKED TO TAKE ALL NECESSARY STEPS TO ENSURE THAT THE FOLLOWING INSTRUCTIONS ARE BROUGHT TO THE NOTICE OF THE HEADS OF INSTITUTIONS AND CANDIDATES UNDER EXAMINATION.

3.1 *HEADS OF INSTITUTIONS are advised to ensure that their students are carefully drilled on how to carry out the instructions given below and are aware of the penalties for irregularities or misconduct. Candidates are required to follow these instructions carefully.*

3.2 GENERAL INSTRUCTIONS TO THE CANDIDATES

- 3.2.1 Avail yourself for searching outside the examination room **15 minutes** before the time fixed for the examination in the various papers. All sessions will start at **8.00 am**.
- 3.2.2 A candidate who arrives late will be required to give a satisfactory reason to the supervisor. Except in exceptional circumstances, a paper will not be given to any candidate who is more than **half an hour** late. Absolute punctuality is essential for certain papers, e.g., Shorthand.
- 3.2.3 If an examination paper for which you are not entered is handed to you, or if the questions indicate that other materials should also have been given out, speak to the supervisor at once.
- 3.2.4 Attend carefully to any general directions that may be given at the head of a paper, e.g., directions limiting the number of questions that should be answered.
- 3.2.5 Ensure that the question paper issued to you contains your personalized details, that is, your name and index number. As soon as you receive the question paper, sign and write the date in the spaces provided at the top of the rubric.
- 3.2.6 Write your responses in the spaces provided in the question paper as directed in the instructions. Where applicable, write on both sides of the paper, but do not use the margins. Begin the answer to each separate part of a question on a fresh line.
- 3.2.7 Write the number of the question clearly in the left-hand margin at the beginning of each answer. Do not copy the question. Be careful to use the same system of numbering as appears in the questions. Leave a blank line after the answer to each question.
- 3.2.8 Write your answers with **black or blue** ink. You may use a fountain pen or ball point pen. Pencils should only be used for diagrams. Remember that handwriting and spelling will be considered. Bring mathematical and drawing instruments for subjects for which they will be needed.
- 3.2.9 Read the questions carefully. Much time may be wasted in writing down information that is not asked for, and no marks are given for it.
- 3.2.10 Do not write so much upon one or two questions as to leave yourself not enough time to answer others which you are able to answer.
- 3.2.11 As soon as notice is given to stop, **ARRANGE YOUR SCRIPT IN THE CORRECT ORDER.**
- 3.2.12 Withdrawal from the examination should have been notified to the Council before any papers of the examination are taken.

3.3 CAUTIONS TO THE CANDIDATES

- 3.3.1 You are not allowed to leave the examination room before the end of the period allocated to the paper except by special permission of the supervisor. **NO CANDIDATE SO PERMITTED MAY TAKE A QUESTION PAPER OUT OF THE EXAMINATION ROOM.**
- 3.3.2 Do not leave a sheet of paper you have written on or your answers in such a position that another candidate can read them. You should not give or obtain unfair assistance, or attempt to do so, whether by copying or in any other way, and your work should not show proof of such unfair assistance.
- 3.3.3 No communication whatsoever in whatever manner between candidates or with outsiders is allowed during examination.
- 3.3.4 You are not allowed to have in your possession or in your proximity while in the examination room, any book, notes, papers or any other materials whatsoever except the correct question paper and any materials expressly authorised by the Kenya National Examinations Council.
- 3.3.5 You may only use mathematical tables printed by the Kenya National Examinations Council, and these should not contain any additional notes except the printed information. If you are using a slide ruler as permitted by the Regulations, it should not contain formulae or other data that may give you undue advantage over other candidates. If in doubt, check with the supervisor.
- 3.3.6 You must return immediately to the Supervisor any incorrect question paper given to you.
- 3.3.7 You must not take any used or unused writing paper out of the examination room. Any rough work must be done on the official answer paper and if not to be submitted with the answers, must be left on the desks to be collected by the supervisor and destroyed.
- 3.3.8 Disorderly conduct or the causing of disturbance in or near the examination room will be treated as a serious examination irregularity.
- 3.3.9 Note that **mobile phones** are prohibited in examination rooms and the examination centre. Any candidate caught in possession of a **mobile phone** will have his/her results cancelled.

3.4 PENALTY FOR EXAMINATION IRREGULARITIES

- 3.4.1 The **KNEC Act 2012** rules and regulations, offences and penalties stated in **sections 27 to 40** for cases of examination irregularities will apply. Some of the highlights in these sections state that:
 - 3.4.1.1 A candidate who commits an examination irregularity in any paper will have the results for the **WHOLE SUBJECT** cancelled. Such a candidate will not be entitled to a result and will be awarded result **"Y"** overall.
 - 3.4.1.2 If there is evidence of wide-spread irregularities in any centre, the whole examination results for the whole centre will be cancelled.

Any person who: -

 - a) gains access to examination material and knowingly reveals the contents, whether orally or in writing, to an unauthorized party, whether a candidate or not will violate **section 27** and the penalty will be imprisonment for a term not exceeding **ten years**, or a fine not exceeding **two million shillings** or both.
 - b) wilfully and maliciously damages examination material will violate **section 30** and the penalty will be imprisonment for a term not exceeding **two years** or a fine not exceeding **five million shillings** or both.
 - c) is not registered to take a particular Council's examination but, with intent to **impersonate**, presents or attempts to present himself to take the part of an enrolled candidate, shall be guilty of an offence and liable to imprisonment for a term not exceeding **one year** or a fine not exceeding **two million shillings** or both and shall be prohibited from taking an examination conducted by or on behalf of the Council for a period of **three years**.
- 3.4.2 Candidates are therefore strongly advised not to engage in any examination malpractice that may lead to any of the above actions taken against them.
